

Public Lecture for Students and Faculty Staff of Gunma University

Date

July 6th, 2012 (Friday). 13:00-14:30

Venue

“Amenity” lecture room

Speaker

1. Dr. F. Gulin Gedik

Team Leader, Human Resources for Health, WHO/WPRO

2. Hiroshi Timura, Masayo Fukuoka, Naoyuki Isobe

Undergraduate students experienced IPE training courses,
School of health Sciences, Gunma University

> The WPRO staff would have a lecture in terms of regional HRH issues, current endeavor of the international community, and regional strategic educational directions to alleviate the HRH crisis. Then undergraduate students will provide a presentation showing the training outline implemented in Gunma University.

Where to call: Yoshiharu Tokita (Department of Laboratory Sciences)
